

Healthy Relationship Promotion Action Team Meeting

Thursday, February 1st, 11-12:30pm
Eau Claire City-County Health Department
Room G302

Present: Melissa, Amanda, Libby, Emily, Nicole, TJ, Gina, Abby, Annette

MINUTES

1. Introductions & Updates
 - a. Melissa joined our team.
 - b. Amanda shared about having Diverse and Resilient (nonprofit agency that serves states around LBGTQ and healthy equity) coming to Eau Claire to do a Safe Dates LBGTQ Inclusive group. Needs assistance with arranging training details for a Saturday. TJ shared that Lake Street church and the District as other options for location.
2. Safe Dates Program
 - a. Amanda gave an update on Safe Dates program—she just finished with the Life without Limits students. Received good feedback from the students.
 - b. In March will be doing another Safe Dates program with Augusta High School.
 - c. Starting to offer a Safe Dates program with the Eau Claire County Youth Response Program- alternative to going to Juvenile Detention for youth offenders. It will be held at the YMCA starting next week.
 - d. Deb Tackmann is interested to do another session at Fall Creek this semester.
 - e. Health Department will be offering Social Learning Theory training June 12th-14th. All Safe Dates facilitators will be required to attend this training as it is a 2.0 version with new content. Implicit bias training will also be required for all facilitators. Abby will send out that information once it is available. Also discussed asking them to see if they can add information about how to navigate disclosures.
3. HWLI COACH Program

- a. Decided to reschedule our meeting. Shor will be leaving the Healthy Wisconsin Leadership Institute. Shor will be at our next site visit to help us meet our new coaches. Alan, who helped create our video, will be one of our new coaches.
 - b. The tentative date for our next site visit is Monday, March 19th. Abby will send out other details.
4. Resource Toolkit
 - a. Talked a timeline for the project.
 - i. **March**- Identify one person to reach out to.
 - ii. **March 19th**- Put together rough draft with our site visit.
 - iii. **April 5th**- Have rough draft of toolkit completed. Invite a few others to share this toolkit. One-on-one or phone call—all commit to touching base with one person to share the toolkit before the April meeting.
 - iv. **April 22nd**- Get feedback from attendees at kNOw more event table. Also get other peer reviewers to look at this.
 - v. **May**- Determine rough idea of what we would be doing and make the pitch in May to potential recipients of training.
 - vi. **August**- Provide training to schools/others in fall before the school year begins.
 - b. Plan is to devote time from March site visit to work on the toolkit. Emily volunteered to help putting together the guide. Talked about using “consent is” toolkit formatting to put in our information. Also would like to link “consent is” toolkit to our toolkit.
5. Planned Parenthood ‘thinking about sex and relationships brochure, Embody program through Planned Parenthood. They have parent workshops. Abby will find the contact information for the outreach person for Planned Parenthood and Emily will contact them to see if they have copies that they can share.
 - a. Include section on local resources (pdfs of brochures) or put in appendix.
 - b. Include information about who this is designed for (type of person and age) or have a key.
 - c. Important to include peer to peer resources.

- d. Libby to create worksheet in google drive--Age appropriate, category (parent, youth-serving professional, peer), red/yellow/greens, comments. Fill out sheet in advance of our next meeting. Send google link to everyone to complete.
6. February Teen Dating Violence Prevention Month
- a. Abby shared about youth advocates that Health Department is working with. They will be doing a 'love is' campaign in February at the school and can be used as a youth voice to review the toolkit. Abby will work to coordinate a tv interview with the youth. They will wear orange in honor of teen dating violence prevention month.
 - b. Have a press release and social media posts ready to go.
 - c. Phoenix Park Bridge Light Display
 - i. Talked about getting the Phoenix Park Bridge lit up with orange lights. It will cost between \$100-\$200. Group decided to postpone this until April for sexual health awareness month.
7. April Sexual Health Awareness Month
- a. Discussed lighting up the bridge 'teal' the night of kNOw more event and have a live interview. Emily will ask people of the giving circle to see what the options are for a sponsorship. Amanda will help coordinate.
