  - a. Overall event went well. The personal story speaker did not show, however, there was still enough discussion.
  - b. 26 people at \$7.50 profit per person. Carleigh has \$300 to use for the event and with the \$150 profit, we have a total close to \$400 to use. Funds will be used to purchase medication lockboxes, as there is a waiting list.
  - c. Sarah Dillivan Pospicill has the information gathered from the event. Schedule her for next meeting for update on next steps. At the event, she indicated she would be emailing the participants for follow up.
5. Recap from the Inter-professional Event
  - a. Turnout was low and we had one medical provider present, but not a front line worker

- b. Linda shared she has follow up with Christie Bowe the medical provider from Mayo who works in the Women's health department. She shared that Christie would like to meet with someone from the team to discuss a training or lunch and learn with her Maternity nursing counselors. –Deb to follow up with Christie.
  - c. Tina had an idea to have the nursing students work collaborative with the dental hygienist to get education. Deb and Tina plan to meet with the Dean at CVTC to discuss this. Tina will also follow up with someone from UW regarding the same idea.
  - d. Referral List
    - i. Short
    - ii. Includes 3 dental providers, CVTC, Marshfield
6. Other Topics
- a. CHAW Healthy Moms and Babies- Debbie believes WIC is working with North Lakes for them to do more at the clinic with moms and babies. Debbie also states CVTC is looking at having North Lakes come to their space so they can have hours there as well.
  - b. Katie shared that elderly are not being able to get to the clinic for care and have limited access. She also shared it often takes a long time to get elderly patients with Alzheimer in and out of their clinic and that it would be beneficial to work with them in their homes. Group felt working with the ADRC on this could be a next goal.
